Supervisor McConnell advised that he has been doing some investigation regarding this and options for a PILOT program. Attorney Jeff Brown advised the opt out option is for the financial side of solar farms in order to set the taxes/PILOT. Under current law, the Town is automatically opted in. The opting out gives the Town more leverage. Developers of solar farms are forced to approach the Town and we can set some financial parameters. It still Allows for solar in the Town but gives us a little more leverage. Discussions regarding the potential location restrictions for solar farms took place. Jeff Brown said this is certainly something the Town Board can look at. Mark Chambers advised the factors relevant to solar farms sitting, the grid (National Grid/NYSTERTA) being adjacent to the site, circuitry of the system and amount of land. Resident Steve Pitoniak questioned if there any restrictions in the Town of where solar farms may be located. Attorney Brown advised the current zoning has restrictions on where solar farms may be located.

D. Opting out of allowing retail marijuana sales?

Attorney Jeff Brown advised that the new state law allows the Town of LaFayette to opt out of retail sales of marijuana. This won't go into effect until next spring. Adopting a local law would prevent dispensaries selling marijuana to be placed in our Town. Villages are

allowed to put this out to public consideration via a mandatory referendum, Towns do not have that option. Rather it is subject to a Town law, to a permissive referendum. If the Town were to pass the law it would not go into effect for 45 days giving anyone opposed to the law 45 day to get enough signatures to put it on for a mandatory referendum. He advised he can draft the Local Law, subject to a public hearing in order to get the residence opinions on dispensaries being allowed in the Town of LaFayette. A resident commented that the 4% revenue would benefit the Town greatly.

Discussions regarding timeframe in order to have a public hearing, to get it on the ballot for the November 2021 election and to have the local law sent to the Board of Elections took place. Supervisor McConnell requested attorney Brown to draft local law No. 4-2021.

**R-109-21 Councilor Dwyer moved and Marzo seconded the motion to move forward with drafting the Local Law to opt out allowing dispensaries for selling marijuana in the Town of LaFayette. Motion carried 4-0.**
