## TOWN OF LAFAYETTE LOCAL LAW NO. 3-2016

**A Local Law Imposing a six (6) month Moratorium  
on Free Standing Solar Panel Installations within the Town of LaFayette**

### SECTION 1: LEGISLATIVE INTENT

The Town of LaFayette presently has in effect a Town Zoning Law which has established regulations for building, construction and allowable uses within the town. The Town Board is of the opinion that a period of time is necessary to adequately review the current regulations concerning free standing solar panel installations, and to determine whether additional local regulations are necessary in order to preserve and protect health, safety and welfare of its residents. Such free standing solar panel installations can be both residential, commercial, large, obtrusive, and can and may pose a hazard and danger to residents by distraction, obstruction, and the power supply systems involved with such installations that may pose a risk. This moratorium will enable town officials to review and comprehensively address the issues involved with free standing solar panel installations that are becoming increasingly popular in our rural community. The town recognizes the potential benefits and desirability of solar power and renewal energy sources, but determines time and research is necessary to determine how to properly regulate the installations. The Supervisor and Town Board deem this moratorium emergent and immediately necessary for the Town.

## SECTION 2: DEFINITIONS

**Free Standing Solar Panels** – A device or combination of devices, structure, or part of a device or structure that transforms direct solar energy into thermal, chemical, or electrical energy. Such devices or installations may be free standing or pole mounted.

For purposes of this moratorium the definition of Free Standing Solar Panels shall not include residential solar panel applications with a rated capacity of 12 kw or less so long as the power generated by said residential solar panels is principally used for the residential use for the property on which it is located.

**Person** - The term person shall include any individual, partnership, association, corporation, landowner, lessee or licensee.

## SECTION 3: MORATORIUM

- A. The Town Board hereby enacts a moratorium which shall prohibit the construction, erection or placement of Free Standing Solar Panels anywhere within the Town.
- B. For a period of six (6) months following the effective date of this Local Law, or sooner if the Town Board so determines by resolution that the intent and purpose of this law has been satisfied, the Town Board, the Town Planning Board, the Zoning Board of Appeals and the Code Enforcement Officer and all other officers and employees of the Town of LaFayette shall not accept, process, review or grant approval of any Building Permit, Site Plan, Use Variance, Area Variance or Specific/Special Permit applications or any other land use approval pursuant to the Zoning Law of the Town of LaFayette or any other laws of the Town, in connection with Free Standing Solar Panels within the Town of LaFayette, regardless of whether such applications have been submitted to the Town Board, Planning Board, Zoning Board of Appeals or Code Enforcement Officer prior to the effective date of this Local Law.
- C. This moratorium shall apply to all zoning districts and all real property within the Town.
- D. Free Standing Solar Panels that have been previously approved are expressly excluded from this moratorium.

## SECTION 4: RELIEF FROM PROVISIONS OF THIS LOCAL LAW

- A. The Town Board reserves to itself the power to vary or adapt the strict application of the requirements of this Local Law in the case of unusual hardship which would deprive the owner of all reasonable use of the lands involved.
- B. Application for relief shall be filed in triplicate with the Town Clerk together with a filing fee of \$250.00. The application shall specifically identify the property involved, recite the

circumstances pursuant to which the relief is sought and the reasons for which the relief is claimed. Any costs, including expert consulting fees or attorneys' fees, incurred by the Town, shall be reimbursed to the Town by the Applicant. The Town Board shall apply Use Variance criteria as set forth in the New York State Town Law, Section 267-b (2) in reviewing any application for relief.

- C. The Town Board may refer any applications for relief herein to the Town Planning Board for its advice and recommendations, but all decisions on granting or denying such relief shall be made by the Town Board solely, after determining whether or not the requested relief is compatible with any contemplated amendments to the Town Zoning Law. Unless completely satisfied that the proposed relief is compatible, the Town Board shall deny the application.
- D. The Town Board shall conduct a public hearing on any request for relief within forty-five (45) days of receipt by the Town Clerk, and shall issue its final decision on requests for relief within thirty (30) days from the date of the public hearing.

#### SECTION 5: PENALTIES

Any person, who shall construct, reconstruct, relocate, enlarge or modify any site to be used for a free standing solar panel in violation of the provisions of this local law, shall be subject to:
