Disclaimer:  
THIS IS NOT AN OFFICIAL FEMA MAP. This map is intended for general planning purposes only. It should not be used to determine if a property is located in a SFHA. To determine if a property is located in a SFHA, refer to the FEMA Flood Insurance Rate Maps.

The hardcopy FRM and the accompanying FISs are the official designation of SFHAs and Base Flood Elevations (BFEs) for the NFP. These digital data are produced in conjunction with the hardcopy FRMs and generally match the hardcopy map exactly. The hardcopy flood maps and flood profiles, however, are the authoritative documents for the NFP.
